

THE PRINCESS SHOP

Boardwalk Scholarship

For over 30 years, Boardwalk has provided vibrant, loving and quality communities in which people of all backgrounds can call home. Though building strong communities is at the center of our work and the essence of our mission, our commitment to community extends much beyond that. We care deeply about the areas in which we work and believe in giving back in any way we can. The Boardwalk experience is centered around four pillars which we call our Golden Foundation: treat others as you would like to be treated, be good, love community and have fun. We incorporate these values into everything we do and they can be summed up by our belief to “Love Always”.

The Scholarship

Boardwalk is pleased to offer a **full year rental scholarship** for a student who has worked very hard to reach the milestone of high school graduation and plans to continue her education in a post-secondary program. The ideal candidate for this scholarship has shown ambition, put forth an incredible amount of effort, has a strong commitment to reaching her goals, yet requires housing assistance while attending a post-secondary program.

The Application

Any Princess Graduate intending to enrol or already enrolled in a post-secondary program or course may apply for this scholarship.

Applications must include:

- A completed application form, which is provided with this sheet.
- A 500-750 word written essay or a 3-minute video essay on the following topic:
Explain what it is that defines you. What inner abilities have you drawn on or discovered in yourself that led you to accomplishing a significant goal in life?

Other Financial Assistance

There are many different options available for students to cover the costs of further education, including student loans and other scholarship opportunities. If you would like advice on filling out student loan applications, finding other scholarships or putting together a plan for going to school, get in touch with The Princess Shop's Next Chapter Program Coordinator or with any volunteer. We'll assist with filling in forms, printing up applications, or helping you think of references and resources.
