Tu-Bees Foods Inc. is a small local business whose inception was inspired by a young entrepreneur. Tu-Bees Foods produces high quality gourmet honey products that are available in convenient, squeezable tubes and family size tubs. Tu-Bees was built on a dream and has turned into a small successful family business. Tu-Bees is an example that dreams really do come true and should inspire you to reach for yours. The Scholarship

Tu-Bees Foods Inc. offers a \$250 scholarship for a student who has worked very hard to reach the milestone of high school graduation and plans to continue their education in a post-secondary program in the 2020 year. The ideal candidate for this scholarship has shown ambition, has put forth an incredible amount of effort, and has a strong commitment to reaching their goals, which does not necessarily require them to be an A+ student.

The Application

Any Princess graduate intending to enrol or already enrolled in a post-secondary program or course may apply for the scholarship. Proof of enrollment is required prior to scholarship being released to the applicant.

Applications must include:

- A completed application form, which can be completed online <https://forms.gle/ejnmnDCGUqV6FP5X6>.
- A minimum 500-word written essay that describes what obstacles you have had to over-come in order to complete your education; what inner abilities have you drawn on in order to accomplish your goal; and how do you intend to “Pay it Forward” by helping others once you have completed your education.

Other Financial Assistance

There are many different options available for students to cover the costs of further education, including student loans and other scholarship opportunities. If you would like advice on filling out student loan applications, finding other scholarships or putting together a plan for going to school, get in touch with The Princess Shop’s Next Chapter Program Coordinator or with any volunteer. We’ll assist with filling in forms, printing up applications, or helping you think of references and resources.
