The Scholarship Award

Higher Education & Beyond offers a **\$1,000 award** for any Graduate who has participated in The Princess Shop's Dress Program, worked hard to reach the milestone of high school graduation, and plans to continue their education in a post-secondary program (college or university) in the 2023 year. The ideal candidate for this scholarship has shown contributions to their community, school or workplace, and dedication to clearly-stated educational goals, which does not necessarily require them to be an A+ student.

The Application

Any Graduate intending to enrol or already enrolled in a post-secondary program or course may apply for the scholarship. Proof of enrollment is required prior to scholarship being released to the applicant.

Applications must include:

- A completed application form, which can be completed on our website or emailed to you.
- A 500-word written essay that answers the following question:
 - *What are your goals and how can this award help you reach those goals?*

Other Financial Assistance

There are many different options available for students to cover the costs of further education, including student loans and other scholarship opportunities. If you would like advice on filling out student loan applications, finding other scholarships or putting together a plan for going to school, get in touch with The Princess Shop's Next Chapter Program Coordinator or with any volunteer. We can assist with filling in forms, printing up applications, or helping you think of references and resources.
