MC College Scholarship

MC College offers both Hairstyling and Esthetics programs at their campus in Saskatoon. The Hairstyling program includes instruction in the areas of cutting, styling, colour and chemical texturizing, advanced cutting and colouring, long hair design, and extensions. The Esthetics program includes instruction in natural and artificial nails, body treatments, basic and specialized facials, hair removal, lash and brow tinting, lash extensions, and make-up artistry. Each of these programs is approximately 9 months in length. Students will receive hands-on instruction and in-class education on our Digital Learning Platform, Pivot Point LAB. Students have access to their own learning path including support materials such as videos, practice exams and tutorials.
